

SCENARIO

JACK AND THE BEANSTALK

Jack and his mother are poor. They own a cow Daisy which would give them milk, but now she is growing old and weak. So Jack's mother has decided to sell her, but because Jack's mother is ill, Jack will have to go.

On the way he sees a strange looking man who offers to buy the cow.

'How much will you give for her?' asks Jack.

'I'll give you something more valuable than money. Here's a magic bag of beans, plant them in your garden and a miracle will appear', says the man.

'What kind of miracle?' asks Jack.

'You will see a giant stalk stretching into the sky and at the top you will see a giants castle full of treasures for the taking'.

I'll have em' snaps Jack. He grabs the beans and runs off home.

Jacks mother was delighted when she saw him returning home without Daisy, but when she realised what Jack had been paid with, she was furious.

She flung the beans out of the window and sent Jack to bed with no supper.

All through the night strange things happened, and when Jack woke up and looked out of his window he saw...

GUARANTEE

All THOR GAMES FROM THE GODS products have a life-time guarantee. If this tape ever fails to load, it will be replaced totally free of charge, if returned with details, directly to Thor Computer Software, Liverpool. If the tape shows any form of physical damage, please include £1.50 to cover replacement costs. This guarantee does not affect and is in addition to your statutory consumer rights.

GAME STRATEGY

You as Jack must find the correct path through each screen and collect the objects which you will find there, but beware of insects and low flying birds.

The final screen has a time limit in which you must collect the axe and climb back up the Beanstalk to kill the giant Good luck, we think you'll need it!
